About Us

Mothers' Day Out is a ministry of Oxford United Methodist Church. Our program serves families in Northwest San Antonio, the Medical Center, and the surrounding community. We offer an excellent child/teacher ratio. A weekly chapel time with the Pastor as well as Spanish classes are included once a week for 3 and 4 year olds. We have a staff of experienced, helpful and caring individuals who are committed to the well-being and nurturing of all of the children of Mothers' Day Out. You will find that our program is indeed a "Loving place where God's children can blossom."
